**RE: NOTICE OF TERMINATION OF REGISTRAR ACCREDITATION AGREEMENT**

Dear Mr. Fiorelli:

Please be advised that the Registrar Accreditation Agreement (RAA) between the Internet Corporation for Assigned Names and Numbers (ICANN) and Abansys & Hostytec, S.L. (Abansys & Hostytec) is terminated and consistent with the terms of the RAA the termination shall become effective on 1 July 2010. As explained in greater detail below, this termination is based on Abansys & Hostytec's failure to cure the breach set forth in ICANN's letter dated 22 June 2009.

ICANN demands that Abansys & Hostytec remove all ICANN trademarks immediately from Abansys & Hostytec's website and business materials that were licensed to Abansys & Hostytec under the terms of the logo license Appendix to the RAA, as this logo license is revoked.

**Failure to pay accreditation fees pursuant to Section 3.9 of the RAA**

Section 3.9 of the RAA requires registrars to timely pay accreditation fees to ICANN, consisting of yearly and variable fees. Abansys & Hostytec currently owes ICANN \$12,448.50 in past due and current accreditation fees.

Page 2 of 3

Notices regarding Abansys & Hostytec's past due accreditation fees, including detailed customer statements, were transmitted to Abansys & Hostytec on 24 April 2009, 24 July 2009, 23 October 2009, 26 March 2010 and 23 April 2010.

On 22 June 2009, ICANN sent Abansys & Hostytec a notice of breach of its RAA based on Abansys & Hostytec's failure to pay past due accreditation fees. Abansys & Hostytec failed to cure this breach in the time period allowed by the RAA.

Based on Abansys & Hostytec's failure to cure the breach of Section 3.9, and in accordance with Section 5.3 and 5.3.4 of the RAA, ICANN hereby gives Abansys & Hostytec notice that Abansys & Hostytec's accreditation will terminate on 1 July 2010.

### Conclusion

Based on Abansys & Hostytec's failure to cure the breach set forth in ICANN's notice of breach dated 22 June 2009, ICANN is terminating the RAA effective 1 July 2010.

ICANN's records reveal that Abansys & Hostytec is not currently managing any domain names. If, however, Abansys & Hostytec recently registered domain names, ICANN will follow its De-Accredited Registrar Transition Procedure (Procedure)

<http://www.icann.org/en/processes/registrars/de-accredited-registrar-transition-procedure-01oct08.pdf> to transition any names managed by Abansys & Hostytec to another ICANN-accredited registrar. We encourage you to read the Procedure in its entirety. Consistent with the Procedure, we are requesting that Abansys & Hostytec designate a bulk transfer recipient immediately, if names were recently registered. Please contact ICANN's Registrar Liaison Team at [RegTransition@icann.org](mailto:RegTransition@icann.org) to designate a bulk transfer recipient. We anticipate the full cooperation of Abansys & Hostytec during the transition process.

Kindly note, however, that your designation of a bulk transfer recipient does not prejudice ICANN's right to the Registration Data Escrow data and other rights under the RAA, as well as ICANN's right to transfer domain names to a registrar of our choosing pursuant to the Procedure.

Be advised that termination of Abansys & Hostytec's RAA does not relieve Abansys & Hostytec of the obligation to pay accreditation fees thereunder, which should be paid immediately. ICANN reserves the right to pursue all means available to collect all accreditation fees owed by Abansys & Hostytec, including the current amount of \$12,448.50.
