

The Internet Corporation for Assigned Names and Numbers

6 April 2017

Ms. Mette Bock
Minister for Culture, Denmark

Dear Minister,

With this letter, I wanted to thank you formally for attending ICANN58 Opening Ceremony and delivering such an impressive speech. It resonated greatly with our attendees, and spoke to many of the reasons we were so pleased to be in Copenhagen.

I appreciate all of the efforts that you and your team deployed over the last few months to prepare ICANN's 58th conference in Copenhagen. It was a very successful meeting, with more than 300 sessions taking place between 11 and 16 March 2017, covering a wide variety of the policy and technical matters crucial in shaping the technical evolution of the Internet. We were joined by more than 2,500 registered attendees, from all over the globe.

The quality of the Bella Center, the ease of preparations with your team, as well as the friendliness and efficiency of all involved were key in ensuring that success. Not to mention, my great fondness of Copenhagen. As always, I look forward to the next occasion that will bring me back.

With my very best wishes,

Göran Marby
President & CEO, ICANN
