RE: Additional Staff Resources for the Expedited Policy Development Process

Heather Forrest, GNSO Chair
Donna Austin, GNSO Council Vice Chair
Rafik Dammak, GNSO Council Vice Chair

Dear Heather, Donna, and Rafik:

Thank you for the opportunity for ICANN Organization to participate in the EPDP as liaisons. As requested, ICANN Organization is making additional staff resources beyond the policy development support team available to coordinate timely input from ICANN organization into the working group's deliberations. Trang Nguyen from ICANN Organization's Global Domains Division and Dan Halloran from ICANN's legal team will serve the ICANN org liaison roles to coordinate responses to requests for GDD or legal input as needed to support the working group's deliberations. Such requests will ordinarily be responded to in writing, following consultation with internal and external experts as appropriate. We look forward to working with the EPDP Working Group toward an expeditious and consensus outcome.

Best wishes,
