Dear Members of the Board Governance Committee,

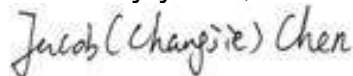

We, Beijing Lusheng (Shanghai) Law Firm, act for Tencent Holdings Limited of Tencent Building, Kejizhongyi Avenue, Hi-tech Park, Nanshan District, Shenzhen 518057, China, in relation to a court action in China, which is to challenge two LRO Expert Determinations (Case No. LRO2013-0040 & LRO2013-0041) upholding Sina Corporation's objection to Tencent Holdings Limited's application to register two new gTLDs <.weibo> and <.微博>.

We view the findings and conclusions made in the Determinations are erroneous and clearly not in compliance with the PRC Trademark Law. A court action should be commenced very shortly based on the facts and grounds that Tencent Holdings Limited's application (and operation) of <.weibo> and <.微博> does not infringe on Sina Corporation's registered trademark(s) in China.

We cordially invite you to pay attention to this court proceeding in progress and will provide you with official court documents when it becomes available.

Thank you for your attention.

Sincerely yours,

Jacob (Changjie) Chen
