Re: Proposal #2009008, Bulk Transfer After Partial Portfolio Acquisition (BTAPPA)

Dear Pat,

ICANN has conducted a preliminary review of VeriSign's request to offer Bulk Transfer After Partial Portfolio Acquisition (BTAPPA), pursuant to the dot-com Registry Agreement between VeriSign and ICANN dated effective 1 March 2006, and the dot-net Registry Agreement between VeriSign and ICANN dated effective 29 June 2005.

Based on the information provided, ICANN's preliminary review did not identify any significant competition or security and stability issues. The service is approved for incorporation as an amendment in the dot-com and dot-net agreements. ICANN will post that amendment for public comment. As a model, you might refer to the dot-biz Registry Agreement Appendix 7, Section 7.1.

Sincerely,

Patrick
