Dear Mr. Truelsen,

With this letter, I wanted to formally thank you for all the efforts that you and your team put forward to help us prepare for ICANN's 58th conference in Copenhagen.

With more than 2,500 registered attendees from all corners of the world, it was a very successful meeting. We held 300 sessions between 11 and 16 March 2017, on a range of policy and technical matters crucial in shaping the technical evolution of the Internet.

With great credit to you and your team, the quality of the Bella Center, as well as the friendliness and efficiency of all involved, we could ensure a successful meeting.

I look forward to the next occasion that will bring me back to wonderful Copenhagen soonest.

With my very best wishes,

Göran Marby
President & CEO, ICANN
