Root Server System Advisory Committee

24 April 2024

TO: Tripti Sinha, ICANN Board Chair

SUBJECT: PICs/RVCs Community Consultation

Dear Tripti,

Thank you for your second letter dated 28 March 2024, requesting input from the RSSAC to the community consultation on the Public Interest Commitments and Registry Voluntary Commitments.

RSSAC believes that it is of critical importance to maintain the independence of the operation of the root server system from decisions regarding the contents of the root zone. As such, RSSAC does not wish to provide direct feedback about what the content of the root zone should or should not consist of.

RSSAC wishes all the best to the ICANN Board in this community consultation process.

Best regards,

Jeff Osborn
RSSAC Chair
