

2017 Nominating Committee Report Card #4

June 2017

At publication of this report card, the 2017 NomCom has entered the most rigorous and work-intensive part of its cycle. Through numerous calls and extensive polling, analyzing, deep diving and rounds of discussion, the NomCom has evaluated and ranked the pool of candidates for the many positions the committee is charged with selecting.

The NomCom now prepares to go into its final face-to-face meeting of the year, at ICANN 59 in Johannesburg at the end of June, to interview candidates and complete its final selection.

This report card presents some key numbers for the 2017 cycle prior to the final selection.
