

To,

Mr. Fadi Chehade, CEO and President

Sub: Internal Website

In furtherance of ICANN's DIDP process, we would like to request information on ICANN's internal website, accessible to the employees and staff of ICANN.

In this respect, we would like to request you for a document containing the contents of the internal website. We believe it is in the interest of openness and transparency that ICANN ought to make its internal website available for scrutiny.

We hope that our request will be processed within the stipulated time period of 30 days. Do let us know if you require any clarifications on our queries.

Thank you very much.

Warm regards,

Padmini Baruah

Programme Associate - Internet Governance
