

SSAC Requirements for the Security, Stability and Resiliency of the DNS Review

1 June 2010

- All persons seeking an endorsement from the SSAC must submit their application documents to the SSAC via Julie Hedlund at the following email address: julie.hedlund@icann.org.
- Successful candidates will demonstrate via their CV experience in the area that is under review.
- Candidates may be required to answer questions in order to determine or verify their qualification.
